

en one - Specification

- With its streamline ergonomic design, light weight polypropylene shell, space saving stack-ability and long-lasting durability, the EN-ONE is unquestionably the new one-piece chair of choice for schools and public facilities.

Features:

- 21 year warranty
- easy to clean and no parts to maintain
- optional linking device to aid compliance with H&S
- exceptional ergonomics to provide an ideal sitting position
- uses less materials than any other chair in its class
- fully recyclable
- re-inforced polypropylene - greater strength and durability
- easy to move due to its lightweight material
- chair stacks easily and safely up to 21 high (2 metre height)
- BS EN16139:2013 level 2 for severe contract use
- EN1729 compliant parts 1 and 2
- weight limit 150kg (330lbs)

Construction:

- One piece moulded chair made from 70% polypropylene and 30% glass fibre
