

en rock

Manufacturer	Spaceforme
Product code	EN136
Country of manufacture	UK

Chair size	6
------------	---

Material 1	Shell: 100% PP. Black shell: 100% Recycled PP
Material 2	Powdercoated steel frame

Certifications	Conforms to EN1729 Part 1
----------------	---------------------------

Stacks	n/a
Recyclability	100% Recyclable shell and frame. Separate out parts

Weight limit	125 kg
Warranty	5 Years

Seat height	460mm
Seat width	405mm
Seat depth	380mm

Overall height	830mm
Overall width	470mm
Overall depth	680mm

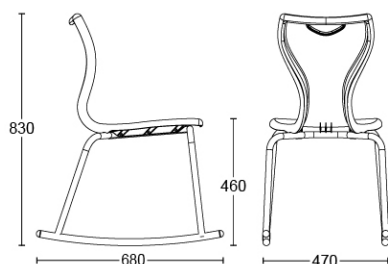

Plastic weight	1.8 kg
Frame weight	3.7 kg
Overall weight	5.5 kg

Optional extras	Subject to minimum order quantity: UV protection, antimicrobial additive, custom colours
-----------------	--

Description	Encouraging Active Learning The en rock chair brings dynamic movement into the classroom, supporting focus, comfort, and engagement — especially for students with special educational needs (SEN). Designed with the same ergonomic excellence as our en range, the en rock allows gentle rocking motion to help students channel energy positively while maintaining attention during lessons.
